### Borrowing Guidelines for the Library Art Mosaic Hall

June 27<sup>th</sup>, 2016 Approved in the 10<sup>th</sup> expanded library affairs meeting in 104 academic year.

- I. The YunTech Library provides an exhibition hall to be used temporarily both external and internal groups to fulfill the purpose of sharing the library space, facilities, and resources.
- II. In order to meet the requirements of using the library exhibition hall as a venue to hold various artistic and cultural activities for faculty and students to showcase their achievements in the Art Mosaic of the Library, both the internal and the external groups or organizations applying for exhibition activities should comply with the following guidelines:
  1. Submission of application form and event plan:

When it comes to the application of the venue for display or exhibition purposes, all campus organizations or off-campus organizations should complete the application form and the activity proposal together with the provision of the digital graphic files for review before the application is approved.
  2. Principle of borrowing exhibition hall
    - (1) We consider the application of the venue made by the YunTech Library and all campus units as a priority. Events include the performance presentation assigned by the Ministry of Education and those organized by the university's major administrative units, the university's teaching and instruction units, and the university's clubs, along with teachers' and students' own creation works done for presentation.
    - (2) In order to promote the library services and the art exhibitions or activities, off-campus organizations should sign up and receive approval by submitting the official document before use.
    - (3) Disqualifications:
      - A. Violations of law or YunTech regulations
      - B. Situations with safety concerns
      - C. Inconsistent with the original application content
      - D. Other situations which are deemed to be unsuitable for readers
- III. Exhibition layout:

Applicants are required to provide a venue layout schematic file for the purpose of review and approval. They also should complete the layout the day before the beginning of the exhibition, and the art exhibition should be removed the next day after the end of the exhibition. The Library will not be responsible for custody during the period of the exhibition.
- IV. All applicants shall use the venue in accordance with the regulations. If the venue is damaged due to not in accordance with the regulations, applicants shall be liable for compensation.
- V. All applicants are requested to print their own invitation cards, posters, and other promotional materials.
- VI. Applicants are held accountable for the package, shipment and insurance of the artworks on display.
- VII. If applicants would like to organize an opening ceremony, a tea party, a ribbon-cutting ceremony, etc. Please contact the YunTech Library staff.
- VIII. During the period of the exhibition, applicants shall dispatch staff to maintain the artworks and explain to the visitors, and please be courteous. After the exhibition, applicants should be in charge of cleaning up and restoring the venue to the original status. During the exhibition period, the applicant should assign staff to maintain the works and explain to visitors, pay attention to polite manners, and be responsible for cleaning the venue and restoring it to its original state after the exhibition ends.
- IX. If there are any matters not mentioned in These Guidelines, the Director of YunTech Library will negotiate with the supervisor of the applicant unit.
- X. These regulations are implemented by the Library Affairs Meeting after being approved by the Director of the Library. The same applies to the amendments to be made in this regard.
